Byron C. Case
Jackson County Corrections

On 06-11-01 at 1750 Hrs. I was instructed to respond to the Jackson County Correction Dept. 1300 Cherry, Kansas City, Mo. 64106 by Capt. G. Kempster. The captain wanted me to contact a suspect Byron C. Case who was being booked into the county jail. He wanted me to ask Case if he would take a polygraph exam reference this case. At approx. 1820 Hrs. at arrival at the jail I made contact with Case in the intake area. I identified myself and made the request for the polygraph, I also advised him that taking the test was voluntary and he was not under obligation under his rights to take the test and that he had the right to consult with an attorney prior to taking the test. He advised that he wanted to talk with an attorney first.
