NAME OF PERSON CONTACTED: Debbie Moffett

On 04-10-99, at approximately 1055 hrs., I contacted Ms. Debbie Moffett

At that time, I told Ms. Moffett I was trying to make contact with Byron Case and asked if they had a new telephone number him. Ms. Moffett gave me the number 756-5172 to try.

I asked Ms. Moffett if she had received any new information regarding the investigation and she stated "no not really".

Ms. Moffett informed me that Kelly had stopped dating Byron in December or January and that Kelly was in a mental health facility on an outpatient basis. Ms. Moffett stated Kelly is still not dealing with the situation very well.

Ms. Moffett stated that approximately one month ago, Kelly did start talking more about the murder, but hasn't said anything new about it. I asked Ms. Moffett if she would explain how Kelly is talking about the murder.

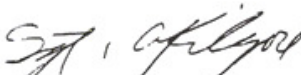

Ms. Moffett stated that Kelly is coming to the realization that Justin may have killed Anastasia. I asked Ms. Moffett if Kelly had given her any indication that Byron was with Justin, if Justin did kill Anastasia.

Ms. Moffett stated she doesn't think Kelly knows for sure. Ms. Moffett stated she doesn't know if Kelly knows more about the murder and is just not saying.

Ms. Moffett stated that in the past Kelly had always said that she couldn't believe that Justin could kill Anastasia and that she doesn't believe Kelly would withhold information to protect Byron.

Ms. Moffett stated she will try and talk to Kelly more and if she gets any additional information she will contact me.

End of report.
