This date Det. Kilgore advised me he had been told by the Johnson County, Kansas deputy that the victim of their suicide, being Justin Carlton Bruton had a receipt in his pocket. He stated the receipt was from the Bullet Hole in regards to this victim purchasing a Remington Model 870 shotgun and a box of Five (5) deer slugs. He asked me if I would go there to pick up a copy of the federal papers and a copy of the original sales transaction.

I did respond there talking with a female, Debbie Stovall at this time. I advised her why I was there and asked her if she could help me find the information I needed. She left and shortly came back with the federal firearms sheet and the original sales slip. At this time she made me copies of these which I brought back and released to Det. Kilgore. It shows the victim of their suicide purchased this shotgun on 10-23-97 at 10:25:58.
