NAME OF PERSON CONTACTED: Robert Witbolsfeugen

On 03-26-98, at approximately 1055 hrs., I contacted Mr. Robert Witbolsfeugen. At that time, I informed Mr. Witbolsfeugen the meeting scheduled with him would have to be cancelled due to his complaint not being resolved yet.

Mr. Witbolsfeugen asked me if I wanted the information on #66 trying to contact him over the internet. This person was inquiring about Anastasia and since he was the one that discovered Anastasia's body he was concerned about this person trying to make contact with him.

Mr. Witbolsfeugen now remembers Anastasia telling him about being stopped by a Deputy in the Blue Summit area. The stop took place between August to October 1997, but Anastasia talked her way out of a ticket. Mr. Witbolsfeugen stated he doesn't recall Anastasia saying the Deputy conducted himself improperly. Anastasia told him that he was a nice looking young Deputy.

I also asked Mr. Witbolsfeugen about the email he sent regarding the threats toward Paige Turner. Mr. Witbolsfeugen stated he has the printout of the "chats" between who he believes to be Abraham Kneisly and Paige, the threats occur during these chats on the internet.

Mr. Witbolsfeugen stated he would fax these documents to me.

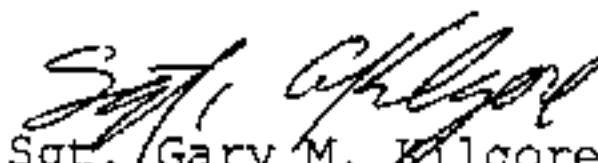

I informed Mr. Witbolsfeugen that I had told Karen Turner to contact me if there were any threats made toward them.

Mr. Witbolsfeugen again stated he is positive he saw Byron Case's car on Truman Rd. the night of 10-22-97.

Mr. Witbolsfeugen stated he is trying to set up an in person interview with Case, but he thinks Abraham Kneisly is preventing Case from talking.

Mr. Witbolsfeugen stated he believes if Case were offered the right protection he would come forward and tell the truth.

End of report.
