NAME OF PERSON CONTACTED: George LePage

[REDACTED]  
Karen LePage

On 10-26-97, at approximately 1200 hrs., I was contacted by Mr. George LePage.

Mr. LePage informed me that on 10-22-97 between 1730 to 1745 hrs., he and his wife were test driving a vehicle in the Mt. Washington Cemetery.

Mr. LePage stopped the vehicle in front of one of the mausoleums, which matched the description of the Nelson Mausoleum. A white female subject who had been sitting on the steps, approached the vehicle and asked them what time it was. Ms. LaPage gave her the time and told her the cemetery would be closing at any time.

A brief conversation took place with the subject in which she informed the LePages she was waiting for her "boyfriend" to arrive. Ms. LePage believed the female seemed to be "disoriented".

The LePages described the female as being 19 years of age, straight long brown hair, and brown eyes. The female was wearing a brown suede type jacket.

The LePages believed the female they spoke with is the same as the victim of the homicide being investigated.

The LePages will make themselves available if JCSD would need to contact them at a later date.

End of report.
