On 10-24-97, at approximately 0255 hrs., I received a telephone call at my residence from JCSD dispatch. I was informed that John Bruton called JCSD wanting to know information about the homicide and his son, Justin Bruton. Mr. Bruton requested I contact as soon as possible with any information. Apparently, Mr. Bruton is at Justin's apartment when he called.

At approximately 0305 hrs., I contacted Mr. John Bruton, by telephone.

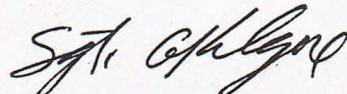

Mr. Bruton stated that he had received a telephone call from Byron Case and under the circumstances he thought it best that he respond to Kansas City to locate his son, Justin.

I informed Mr. Bruton that Justin was one of only a few persons to have seen Anastasia alive for the last time. I informed Mr. Bruton that the extent of Justin's involvement was not known at this time, but we did need to speak to him.

Mr. Bruton stated he has not talked to Justin the last few days, but will contact JCSD should he make contact with Justin.

Mr. Bruton stated he owns the "condo" that Justin resides in and that he (John) will be staying at the condo until Justin is located. Mr. Bruton requested that I contact him should anything develop, or, if he could be of any assistance in the investigation.

End of report.
